## 1- Information on you

1.1 Are you new to the fracture mechanics – structural integrity topic or already trained - expert of the matter?

- I am new to the topic
- I am already trained on the topic
- I am an expert / I master the topic

1.2 You are...

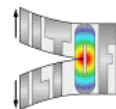

- student
  - professor / trainer
  - employee / manager in industry
  - self-employed
  - none of the above (please specify)
- 

1.3 Your level of higher education (education after age 18)

- No higher education
- Technical degree / Fachhochschule , 2 - 3 years
- University degree, 3 years
- University master degree, 5 years
- Ph. D. / Second level master degree / advanced

1.4 Your proficiency in English

- excellent / native language
- very good
- good
- acceptable
- poor
- very poor

## 2- Course outcomes

After attending the courses:

### 2.1 Which course did you attend?

- ILTOF01 - Fracture mechanics and complexity sciences
- ILTOF02 - Fundamentals in linear elastic fracture mechanics
- ILTOF03 - Advanced applications of nonlinear crack models
- ILTOF04 - Miscellanea
- ILTOF05 - Structural damage mechanisms interpreted by acoustic emission
- ILTOF06 - Application of fracture mechanics, fatigue and creep principles to avoid or predict failure in engineering problems
- ILTOF07 - Applications of the Finite Element Method in Fracture Mechanics
- ILTOF08 - Concepts of fracture mechanics
- ILTOF09 - Statistical methods in fatigue testing

(please fill in one separate questionnaire for each course you did take)

### 2.2 Did you complete the course?

- Yes       No

if not, why?

### 2.3 Your overall level of satisfaction: was the course useful?

- excellent
- very good
- good
- acceptable
- poor
- very poor (BRANCH TO QUESTION N. 3.4)

2.4 If you are new to the fracture mechanics / structural integrity topic your interest in the topic is:

- increased
- decreased
- do not know

2.5 Please evaluate the impact of the course on your activity / knowledge:

- excellent
- very good
- good
- acceptable
- poor
- very poor

### 3. Quality of the course materials, suggestions

3.1 Overall evaluation of the course material provided:

- excellent
- very good
- good
- acceptable
- poor
- very poor

3.2 Was the explanation clear?

- excellent
- very good
- good
- acceptable
- poor
- very poor

3.3 The examples provided in the lectures are:

- excellent
- very good
- good
- acceptable
- poor
- very poor

3.4 Comments / suggestions on the course material provided:

#### 4. Evaluation on other ILTOF education and information resources

4.1 Did you use the other facilities of the ILTOF website (the library, the links...)?

Yes       No

if not, why?

4.2 Did you add material to the ILTOF website (library items, pages...)?

Yes       No

if not, why?

4.3 Are you interested in engaging a discussion with peers (other students)?

Yes       No       Don't know

4.4 Are you interested in engaging a discussion with lecturers?

Yes       No       Don't know

4.5 Additional fracture mechanics / structural integrity courses you would like to attend:

4.6 Details of additional education / information material you would like us to provide:

4.7 Suggestions for further improvements (add extra sheets if necessary)
