From the letter of acceptance of the ILTOF Proposal

“During the evaluation process, the **quality and the innovative character** of your project have been highlighted; considering these aspects, the **European Commission** is interested in **monitoring the progresses of the project.**”

Prot. n° 5950/06/MR/ff

Roma, 26 luglio 2006

Egregi Signori,

[...]

Nel corso della valutazione è stata evidenziata la qualità e il carattere innovativo del Vostro progetto, considerando i quali, la Commissione europea è interessata a monitorare i progressi del progetto stesso. Confidiamo nel fatto che il partenariato metta in atto tutto ciò che è in suo potere per permettere al progetto di raggiungere gli obiettivi ambiziosi descritti nella proposta e per garantire un ampio impatto dei risultati a livello europeo.

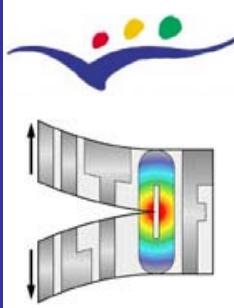

[...]

Distinti saluti.
